FICED HERSELF
TO SEAL AWAY
THAT DEVIL.

THIS

THE
SEAL
FROM
THAT
DEVIL.

TOUCHING IT
IS NO USE.
THERE'S NO
CURE. NO

SO LONELY.

YOU'RE
NOT MAD

be able to
serve you on
the other
side!

SWEET

AKITO KAWADA

If you say the model this time is real-time online broadcasting networks, well, their actuality true.

If such an accident happened, the site itself would disappear.
Heimin-ban also happens to have a model.

Well, he really does. Not really a villain, but a person who is unstable and tends to have
views and values frozen solid and stiff.

And despite that, such people weirdly have charisma and tend to attract others, the villains.

Well, the internet society is unique so I don't want to go in too deep, but sometimes I
gradually do.

Well, the "Chimori's Mom" from the volume is a parody, so please, don't pay her too much
attention.

This was the character—overflowing "Shin Aoi" that the author brought to tears.
Let's meet again real time, no?
